

# German Japanese Workshop 2024

## Wednesday, September 25, 2024

**Physical observables - Institut für Kernphysik (4:50 PM - 5:45 PM)**

time	[id] title	presenter
4:50 PM	[14] Calculation of K13 form factor at the physical point on large volume	YAMAZAKI, Takeshi
5:15 PM	[16] A road to precision B physics	SOMMER, Rainer

# Friday, September 27, 2024

## Physical observables: Physical observables - Institut für Kernphysik (9:00 AM - 10:10 AM)

time	[id] title	presenter
9:00 AM	[27] Precision physics in the charm sector	COLLINS, Sara
9:30 AM	[28] Calculation of pion and kaon charge radii using model-independent method in the PACS10 configuration	SATO, Kohei
9:50 AM	[29] Lattice studies of the nucleon structures for the PACS collaboration	TSUJI, Ryutaro
